

St. Peter School, Somerset

Third Grade Student Supply List 2017 - 2018

Each teacher has composed a list of supplies that her class will need the first day of school this fall. Although these supplies will need to be replaced during the school year, your child will be ready to start the school off on the right foot. By giving you this list in the spring, you should be able to take advantage of the Back to School Specials that the local stores run in August. We HIGHLY encourage you to “stock up” on some extra pencils, glue sticks and crayons/markers when the Back to School Specials are available as often supplies need restocked half way through the year.

The following is the list of supplies that your child will need for school. Each teacher has specified the **exact materials** that she wants. For example, when a teacher asks for three single subject composition books, one three subject composition book will not be acceptable because it will not allow the teacher to collect the book to check your child’s work in one subject without interfering with the other subjects. Therefore, only these items will be acceptable, so please check your items before you purchase them! Also, please note that the students will be using soft pouches for their supplies this year. We ask that you only purchase the supplies listed below so that everything will fit in the pouch.

The following supplies are needed for **Third Grade**:

- 1 or 2 soft pouches** for supplies (no hard boxes please)
- 1 pair Fiskar blunt end 5” scissors
- 1 8 oz. bottle of glue (Elmer’s) and 2 glue sticks
- 12 regular (#2) pencils with erasers **(Please--no mechanical pencils!)**
- 1 box of 16 or 24 color Crayola crayons/ 1small pack of color pencils
- 1 wood ruler with metal edge with inches and centimeters
- 1- 1” three ring binder
- 3 marble composition books
- 1 spiral bound 100 sheet notebooks – regular ruled

**Book covers will be provided by the school, so please do not buy stretchable book covers for your child.

In addition, each child is asked to contribute:

- 2 boxes of facial tissues
- 2 containers of disinfectant wipes.

Thank you and have a great summer!!
